NEW MEXICO SHOOTING SPORTS ASSOCIATION

New Mexico Shooting NEWS

FROM THE VICE PRESIDENT

By Roger Buelow

Most of us agree that the New Mexico Shooting Sports Association is an organization that is worth our time, money and effort. That is why we are members. That is why we read the newsletters and participate in the Association Annual meetings and other activities. All of those activities are fun, informative and useful.

However when you think about the purpose of the NMSSA it is clear that the most helpful function of the Association is its political activity. NMSSA evaluates candidates for elective office. It publishes the candidate's answers to questions of interest. It watches legislative activity at State, County and City levels. It formulates legislative actions and lobbies to achieve those goals. For most members, this is a primary source of information and the first line of defense in protecting our sport.

Could NMSSA be more effective in its political effort? It is clear that it could, if it had additional resources. Perhaps those resources are readily at hand. The idea of expanding the contents and utility of the Association's membership list was suggested at the NRA Annual Meeting, 2006. Please consider and comment on this idea.

Would the membership be interested in providing the Association with additional information about each member's background, skills, civic or political connections, State Representative voting district and other usable facts? The information would be used to identify people who could help solve specific problems facing the association.

As an example, the current Treasurer for the association is an accountant. Her professional skills contribute a great benefit to the association. If the association faced a situation in which the skills of a carpenter were needed it would be helpful to know which members to contact to request help or advise. If an Attorney is needed it would certainly serve the association well to know who to call on to obtain assistance.

Politically, knowledge of voting district identification would be a benefit if a proposed law was being heard in a committee and one of the members of that committee has an Association member as a constituent. In N.M. Legislature, a call or e-mail from someone in a home district has a significant impact on the Representative's actions.

The Association would need to develop a method of searching the data base to identify the appropriate people who might be able to provide help as well as a method of informing those people of the issue and requesting action from them.

Please offer your comments, pro or con, concerning this proposal. Providing the detailed information would not be required as a condition of membership. Voluntary compliance would be of great assistance to the Association.

This proposal is just one of the ideas that will be presented to the membership for discussion. Watch the Newsletter for additional proposals. It is the intention of the Association leadership to solicit the membership's input for the purpose of making the NMSSA a more effective and meaningful organization.

Your help is needed at the upcoming National Police Shooting Championships that will be held at Shooting Range State Park west of Albuquerque from September 28-October 5. Event organizers are looking for volunteers to assist as line officers, safety officers, target runners and scorers. An organizational meeting for interested volunteers will be held at 10:00 am on Saturday, August 26, out at the range.

Attention New Mexico NRA Members, NMSSA Members and fellow shooters:

Your help is needed at the upcoming National Police Shooting Championships that will be held at Shooting Range State Park west of Albuquerque from September 28-October 5. Event organizers are looking for volunteers to assist as line officers, safety officers, target runners and scorers. An organizational meeting for interested volunteers will be held at 10:00 am on Saturday, August 26, out at the range.

A CALL TO ARMS

By Paul C. Lisle

The NRA sponsored National Police Pistol Competition is coming to Albuquerque. The legislators in February approved and the Governor signed a bill for almost \$1.4 million to build a new 100 turning target range at the city's west mesa range. From September 28 to 30 the regional competition will be held and 250 shooters are expected to participate. The national competition will take place October 1 to 5 with 500 shooters expected to compete. The competitors will shoot at 7, 15, 25 and 50 yards. They will each shoot 150 rounds in their attempt to reach the top score of 1,500. If you are in Albuquerque during those dates, you can be a part of this huge competition.

Approximately 80 volunteers per day will be needed to make this event successful. Shooting hours will be from 08:00 to 15:00. The volunteers will be doing a variety of jobs such as target handling, verifying scoring and directing parking in the new 500-car parking lot. A new vendors building is being built to house the displays of all of the gun manufactures and related vendors that will be attending this event. To volunteer, give me a call at 299-3933. Since I am a NRA qualified range safety officer, I assume that is what I will be doing during the competition.

It appears that the Department of Public Safety is still having problems issuing concealed carry licenses. I submitted my request for a new 4-year li-

cence exactly 60 days before my current license expired. I was told that was the earliest that I could submit the paper work, money and fingerprint cards. Guess what? My old license expired and I still hadn't received my new license. Since I thought something like this might happen, I have a valid Florida concealed carry license that allowed me to still carry in New Mexico. Last month I applied for, but have not received, a Utah concealed carry license, which will allow me to carry in a few more states than my Florida and New Mexico licenses now allow. On August 5th I did receive my new license, two weeks after my old license expired.

There are a number of pro-gun bills pending in Congress that require your action. The following list was e-mailed to me by the NRA and I am passing it on for you to take action. You can contact your U.S. Representative at (202) 225-3121, and your U.S. Senator at (202) 224-3121 and urge them to support the following measures. H.R. 5092 – This bill would improve BATFE's process for punishing the few FFL's who violate the law. This bill was drafted in large part to address BATFE abuses at the recent Richmond, VA gun shows. H.R. 5005 – This bill rolls back restrictions and corrects errors in federal firearm laws. H.R. 5013/S. 2599 – Legislation to prohibit the confiscation of lawfully owned firearms during states of emergency, as happened in last years hurricanes. H.R. 1384 – This bill would remove several antiquated and unnecessary restrictions imposed on the interstate firearms business by the 1968 gun

control act. H.R. 1288/S. 1082 – Legislation to repeal the D.C. gun ban so that people can arm and defend themselves in the District. H.R. 4547/S. 3275 – Legislation that would allow any person with a valid carry permit or license issued by a state to carry a concealed firearm in any other state when they meet certain requirements. The laws of each state governing where concealed firearms may be carried would still apply.

On July 7, 2006, a two-week UN conference on how to eliminate private ownership of guns worldwide ended. This meeting was a confutation between the U.S. and the rest of the world. Thanks to our pro-gun administration, the conference ended in deadlock with nothing being decided. This was a huge victory for U.S. gun owners. I would hate to think what would have happened at this conference if we had an anti-gun Clinton (either President or Senator) administration.

This will be my last column before the November elections. I can't stress hard enough the importance of voting for pro-gun candidates. You should know by now who the good guys are. Since this newsletter will be published with-in the 60 days before an election band on my freedom of speech, my recommending whom to vote for, at this time, would be breaking the law.

SILHOUETTE SHOOTING

By **Ron Stryker**

The first ever New Mexico State NRA Cowboy Lever Action Rifle Silhouette Championships & the first Hunter Pistol Championships in many years was held at the NRA Whittington center in July 2006, attended by 47 shooters from seven states.

Enough New Mexico residents participated to form a postal team in the two rifle events. This allows New Mexico to compete against the other 49 states for a gold, silver or bronze medal. Postal results will be posted in Shooting Sports USA in the spring of 2007. We had five juniors compete but only one from New Mexico, all five of these were eligible to advance to the National Championships with a free entry. Logan Williams of Raton was our youngest competitor at age 10. Logan shot a personal best score. Way to go Logan!

Eight national records were set during these events. Four super seniors (70+) were in attendance, aged 74 to 82.

Thanks to Charlie & Mary Weisleder for coming & selling NMSSA memberships, hats & shirts. It is nice to have an executive committee member to represent the state association at these championships. We also thank them for the personal contribution to our raffle.

Anyone wishing to try out a silhouette event, get hold of Ron, we always have a gun & ammo for a friend.

Shooting Sports USA is available by subscription from the NRA or you may pick up a free copy from the NRA Whittington Center gift shop/admin bldg.

Over \$2500.00 was contributed to the NRA Whittington Center as a result of this championship. This money was designated to defray expenses on the covered firing line at long range pistol/cowboy rifle silhouette range. The NRAWC had more than 170,000 visitors last year and generates many thousands of dollars to New Mexico & Raton in particular. If you have not yet visited this world class facility, start planning now for next year & come shoot with us.

It takes many people to make a successful event & we would like to thank them all for volunteering. A special thank you to Rick Kelley for calling the line, Joe Tesmer for all the photo's & magazine write-ups, & to my wife Loreen for planning, running & hand picking all the awards, as well as working through her birthday. Thanks also to the many corporate sponsors that sent products. Think of them when you spend your money. Look in Shooting Sports USA in the coming months for a complete report on this championship. Your silhouette director can be reached at hpsr1@yahoo.com or 208-413 2444 cell phone, permanent address is P.O. Box 700 Raton, NM 87740

Special 2006 Election Edition

Questionnaires were mailed to all candidates running for the New Mexico State House of Representatives. The questionnaires specifically asked candidates their stance on our 2nd Amendment rights. The results were tabulated on an A+ through F- basis. An A+ indicates extreme support for the 2nd Amendment; and F equals no support; and an F- goes to those who introduce

anti-gun legislation. A question mark indicates no questionnaire was received or a grade could not be tabulated based on answers provided. The ratings will appear in the Special 2006 election Edition.

The special edition will cover the Federal Election Candidates who are running for US Representative in Districts 1, 2 and 3.

We will also cover candidates run-

ning for Governor, Lieutenant Governor, Attorney General, Commissioner of Public Lands, and Bernalillo County Sheriff.

The General Election will be Tuesday, November 7, 2006. Absentee voting and early voting will start on Friday, August 25.

FROM THE PRESIDENT

By Matt Riggs

A great big Congratulation is due to all of the NMSSA Members and Board Members who volunteer their time. Especially since the NMSSA has been selected as the recipient of the **NRA 2005 Outstanding State Association Award**. The NRA will be presenting this award to the NMSSA at its fall Board of Directors Meeting in September.

With the fall hunting season quickly approaching and the hope that our rainy season will begin to drizzle out many of us are beginning to get our minds around the fall events. Our fun shoots are starting to get a lot of attention. The cowboy action fun shoot out

at Magdalena was exciting and the weather was cooperative. A lot of great characters were present. For those who have never been to a Cowboy Action event, the participant dons early western period clothing and shoots under an alias.

As a reminder the NRA will conduct the National Police Shooting Competition (NPSC) this October in Albuquerque at Shooting Range State Park. Since the NMSSA has been asked to assist with this event, we need your help. We're still in need of individuals to help us on Sunday, October 1st from around 7am to 4pm. They would be assisting in selling tickets for the Practice Match and assist in squadding for the practice match. If you are available, please con-

tact me at nmssa@msn.com

NMSSA still needs your input for our electronic calendar on our website. This tool is not only for our members but also our potential new members. Please submit articles, match schedules, club events, gun show schedules, etc., to the editor, so that our newsletter and calendar can serve not only our members, but all shooters and gun owners in New Mexico.

Thank you for your continued efforts. Please be safe and I hope to see you at the range.

Respectfully submitted,
Your President, Matt J. Riggs

SILHOUETTE SHOOTING AT THE NRA WHITTINGTON CENTER

Ron Stryker, our Executive Officer for Silhouette shooting events, held the NMSSA silhouette championships on July 22-25 at the NRA Whittington Center. Ron wanted to see all the shooters with NMSSA T-shirts and hats, so we set

up a table at the range and sold \$310.00 worth of shirts & hats. They had 48 competitors who shot 6 different events. At every break in the shooting, they gave some nice merchandise away, so we provided a NMSSA T-shirt and hat. The winner was

Joe Duchene.

Your silhouette director is willing to help any NM club that wishes to hold a championship event. This is a standing offer!

THE MAGDELENA COWBOY ACTION FUN SHOOT

The Magdalena cowboy action fun shoot, which was held on July 15, 2006 in Magdalena, New Mexico, was hosted by the Magdalena Trail Drivers, a SASS affiliated group. The turnout was outstanding. We had approximately 40 shooters and approximately 12 watchers and scorekeepers. The day started off with a barbeque of hot dogs and hamburgers cooked by the president of the Magdalena Trail Drivers Slippery Steve and PS Cutter (aka John Snyder). After lunch, we broke up into two groups of 20 shooters. We had plenty of guns for

all shooters and some of the shooters enjoyed black powder pistols. We were able to shoot 3 stages for each group. After we shot up the countryside, we handed out prizes for many of the shooters.

We had 4 youth shooters of which 3 were first time shooters. There were 5 women shooters of which 1 was a first time shooter. Among the shooters were 15 NMSSA members and 5 prospective NMSSA members. Along with the Magdalena Trail Drivers, we also had members from the Bighorn Vigilantes from Edgewood, the Gila Rangers from Silver City, and

the Rio Vaqueros from Truth or Consequences. Everyone had so much fun that they wanted to know when we were going to have another cowboy action shoot in Magdalena. We would like to thank the Magdalena Trail Drivers for allowing us to shoot on their beautiful range and for their great hospitality. We look forward to shooting on their range in the future.

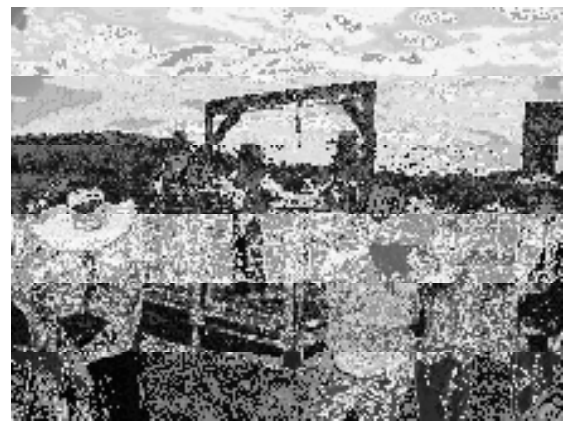

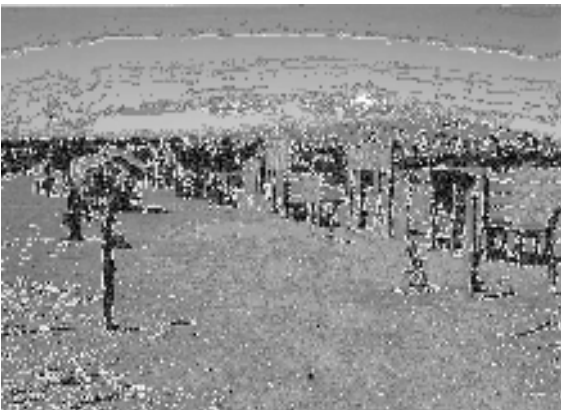

We hope to see you in Edgewood, NM on September 23, 2006 for a day of Sporting Clays.

Muzzle Loading

By Tony Trennel

With some luck you have drawn a muzzleloader tag for big game. This takes the hunting sport a step further by combining the one-shot challenge (rarely does one get the chance to reload and shoot again) with nostalgic awareness this has been done for over 250 years.

A program of the National Muzzle Loading Rifle Association (NMLRA) called the Longhunter was founded to promote and preserve the sport of muzzleloading hunting as well as provide a common affiliation for such hunters while enhancing field experience.

Longhunter recognizes hunters who have chosen the challenge of hunting with muzzleloading firearms and honors the North American big game animals harvested by them. Longhunter endeavors to improve and expand muzzleloading seasons and to conserve North American wildlife habitat.

The Big Game Records Pro-

gram is the only trophy-recognition program strictly for the muzzleloading hunter. Longhunter recognizes 32 species of record-class North American big game animals acquired with muzzleloading firearms. The hunters who have taken them while meeting the Longhunter's Fair Chase standards are recognized in the *Longhunter Muzzleloading Big Game Records book*. This leather-bound volume provides a permanent archive of trophy-class animals acquired through use of muzzleloading firearms. To get further information or place entries in the record book contact Joyce Vogel at P. O. Box 67 Friendship, IN 47021. Also you may call (812) 667-5131 Ext. 221 or (800) 745-1493 Ext. 221.

Other parts of this program includes a Muzzleloading Big Game Pin for the species and three levels of plaque awards; Triple trophy, Grand Slam and Royal Slam for acquiring three, four and five subspecies of North American turkeys.

More of the specifics for these programs will be addressed in the next NMSSA Newsletter. You can call Joyce for specifics earlier if necessary and that same address or number will get you to the membership folks if you care to join NMLRA. The organization's publication *Muzzle Blasts* covers a wide variety of topics from information on modern and traditional muzzleloading methods and techniques to environmental and legislative issues; from proper care of a muzzleloader to ballistic data; from field photos of trophy animals to the latest information on the Big Game Records Program. The magazine also "takes" you to some of the most exciting hunts in the world where some are hunts are once-in-a-lifetime where animals are the largest ever taken with a muzzleloader.

Concealed Carry

By Richard Barbaras

An Interesting Thought... *Remember to shoot safe and don't leave home without your cell phone and your concealed carry gun...* Paul Lisle, May/June NMSSA newsletter... folks, there is a lot to ponder in this simple statement.

September Concealed Carry Class... The September Concealed Carry Class will be held on September 8 (eve), 9 & 10. If you know of anyone who might be interested in taking the class, please have them contact me at riclin@tularosa.net or call me at 430-3040.

Advanced Handgun Class... We will be holding our first session of the newly revised Advanced Handgun Class on Friday September 29 from 5PM – 9PM and Saturday September 30 from 8:30AM to 3:30PM. The Friday session will include night firing. There will be lots of drills and scenarios and you will do a lot of shooting. Class size is limited to six. Cost of the class will be \$125. Please contact me for more information or to let me know if you are interested. An Orientation to Carrying A Concealed

Handgun In New Mexico... Since New Mexico accepts concealed carry permits from many other states, this class is a way for the person with a permit from another state to be introduced to what they need to know to safely and legally carry their concealed handgun in New Mexico. This class will be taught on Sunday, August 20, from 9:00 AM to 11:00 AM at My Country Kitchen in Alamo-gordo. Price for the class will be \$25 (you are responsible for paying for your own breakfast!). Let me know if you are interested in attending so I can have enough materials for everyone.

Local shooting matches... Once you decide to carry a concealed handgun, you need to practice, practice, practice! The Otero practical Shooting Association (OPSA) hosts several matches each month at the Sidney Paul Shooting Range in La Luz. The Action Match, held the third Saturday of every month, is a good place to shoot from a concealed holster in a variety of interesting situations. They are very supportive of first-time shooters and will provide as much advice and assistance as you need to enjoy the

match. For more information, go to their website at www.opshooter.org. And while you are at it, please consider joining OPSA and supporting their efforts to provide a variety of matches in the local area.

Individual or Specialized Classes... I have been doing a few specialized classes for people with specific needs for firearms training. If you do have specific needs not met by our regular classes, please get in touch with me. I'd be glad to work with you or your group.

Women On Target... OPSA will be hosting another Women on Target (WOT) on Saturday, September 23 at the Sidney Paul Gordon Shooting Range in La Luz, NM. This is an excellent way for women to learn to shoot in a friendly, non-competitive environment (and have a chance to win a free concealed carry class from Riclin Services!). Tell your women friends! Call the range at 505.443.9006 for more information.

Most clubs conduct Action Pistol, Cowboy Action, IPSC Action Pistol and High Power Rifle. We should hold state-wide matches in these disciplines. All we need is three or four volunteers and a lot of supporting help. Grant money might be available.

Current NMSSA Assets

In the past few months, NMSSA has gained some new assets that are available for all NMSSA members to use.

Two Buck – Daisy BB guns

Two Red Ryder – Daisy BB guns

Two Crossman – 760B Air Rifles

The six listed above were purchased from grant money to be used at an event at Calibers Indoor Shooting Range.

We also have a Toshiba, 13 inch TV/VCR that was purchased from grant

money. We plan to show videos at gun shows and other sporting events. If you would like to use any of these assets, call Charlie Weisleder at 505-877-6128 or E-mail: gunweis1@comcast.net
