## Presidents Input By Anthony Trennel President, NMSSA

The annual meeting, January 15, 2011 will begin at 9am, guest and member speakers will start after the introduction followed by the business meeting, likely after lunch. One of our speakers will be Sen. George Munoz, Gallup who is following NM game law aberrations. Other speakers are being lined up for the morning session.

There are several issues to discuss during the business meeting. One of the main issues is setting up several shoots during the year with one having an executive meeting associated with it. I would like to do a shoot at Whittington Center, perhaps silhouette and other shooting which is available such as trap and skeet at very reasonable prices. Overnight stays at the center are very reasonable and the drive to town is 10-15 minutes.

Board members and officers are asked to bring a short write-up concerning 2010 activities and/or 2011 planning. We intend to publish these in the next newsletter so that all our members are aware of ongoing and future activities. For the newsletter all members are invited to submit articles, anecdotes or photos concerning any aspect of the shooting sports; hunting, technical issues, historical, land access and so forth.

Funding is very important and various ways to accomplish this is open for your ideas. Of course both block and state funding from the

NRA need to be aggressively pursued.

Elections will be finalized as well as potential formation of committees and alternatives to help deal with association activities. Also, we need to attract younger members to our various board positions, especially that encompassing legislative activities.

A "Legislative Shoot" has been set up at Calibers in Albuquerque on the 9<sup>th</sup> of January with a noon start and ending around 5pm. The event is open to all members and especially those with NRA instructor credentials will be needed to help those unfamiliar with firearms.

This year we will have a Member of the Year, a gun raffle as well as a few door prizes.

Please fill out the election form and the annual meeting and lunch reservation form if attending. If you purchase a raffle ticket (most flyers will contain one of leftover tickets) either enclose the amount and stub or bring to the meeting. The drawing will be at the end of the session. Tickets will also be available at the door.

Send election form, annual meeting and/or lunch fees, ticket stub and payment to.
